

Through a partnership with Clemson University, the NAWIC Education Foundation (NEF) offers certification & educational programs for individuals who want to gain a greater knowledge and understanding of construction industry principles and practices.

In addition to the certification, those individuals who successfully complete the course will be awarded continuing education units (CEU's) from Clemson University.

NEF is an approved quality education provider by the American Council on Construction Education (ACCE).

## CONSTRUCTION DOCUMENT SPECIALIST

An intermediate program of two home-study courses that test your knowledge and understanding of the interpretation and implementation of information conveyed from architects/engineers to contractors by way of a legal document.

NEF offers a CDS certification upon successfully completing both courses by earning a grade of 75 percent on each examination.
